Managerial and Technical Experience
And Professional Bios

Applicant is a switchless resale common carrier providing intrastate long distance message toll telecommunications services to customers for their direct transmission and reception of voice, data and/or other types of communication. These long distance services are provided through local exchange and/or other connecting carriers. Applicant leases the underlying facilities necessary to provide telecommunications services from major facilities-based interexchange carriers, such as Qwest and PowerNet Global. Applicant has an experienced management team, but relies on its underlying carriers for technical support.

Applicant is a new entrant based in Oklahoma. It was founded in 2003, and has consulted and advised on services within the telecommunications industry, including the provision of interexchange toll and local exchange resale services, customer service operations, and sales and marketing of communications services. Applicant's key personnel include John Bachman and Tom Anderson.

Mr. Bachman is Applicant's president. Mr. Bachman has managed the company's operations since its inception and is responsible for leading the company to position itself to become an operating entity. Mr. Bachman has held a variety of positions in various businesses, including advertising and telecommunications. See Attached Professional Bio. Mr. Bachman's business experience includes management positions with supervisory authority in internal account management. Mr. Bachman is well-qualified to manage Applicant's entry into the interexchange markets.

Mr. Anderson is Applicant's Chief Executive Officer and Secretary. Mr. Anderson has extensive experience in the telecommunications industry, dating back to 1993. See Attached Professional Bio. Mr. Anderson's business experience includes

management and operations, customer billing and customer service, staff supervisions and scheduling, bookkeeping and liaison with local compensation boards and state utility commissions. Mr. Anderson will be responsible for ensuring that Applicant's services are of the highest quality and fully meet the technical and operations needs of its subscribers.
